

Old Sessions

📁 picoCTF > Web · + Tags

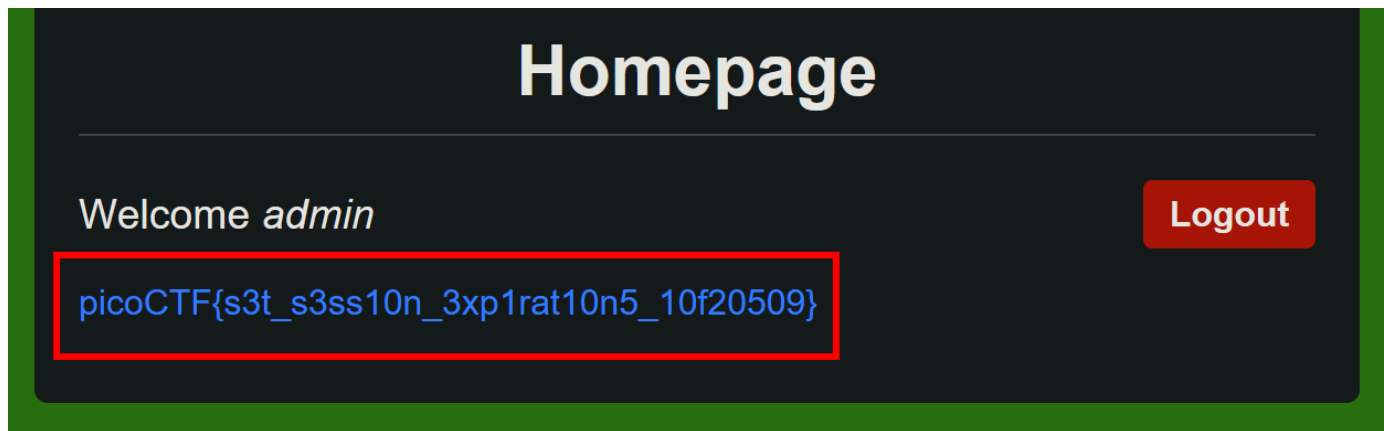

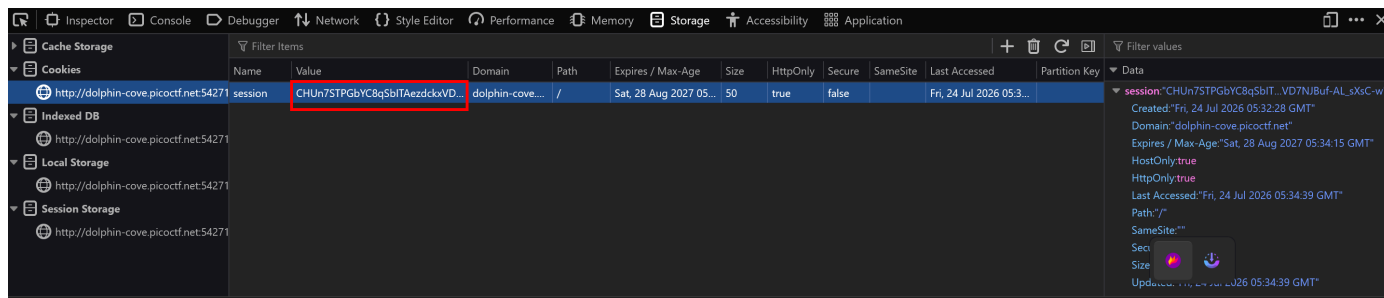

After registering and login in on the website, there is a clue to check `/sessions`.

Theres a clue inside `/sessions`

if the value of the session is replaced with the value of "admin" session, then the flag could be revealed

flag: picoCTF{s3t_s3ss10n_3xp1rat10n5_10f20509}
